And Debbie even told me to be careful to get the correct Debbie Thomas and then I selected the wrong one! I apologize. Thanks Sandy for catching my error.

Subject: Dewey-Burdock draft Final SEIS NEPA Letter

Shaun and Joan,

Attached is the letter regarding the Dewey-Burdock Final Supplemental Environmental Impact Statement (SEIS). The letter has been reviewed by regional counsel attorneys for UIC, air (Subpart W), and NEPA, as well as by the enforcement air program staff attorney. Staff from the air program, UIC, and ecosystems protection groundwater unit had input into the letter.

We need to have the letter to NRC by end of Monday to meet the 'comment' period deadline. Since the NRC is housed in Washington D.C., I planned to have it emailed to the NRC NEPA project manager, Haimanot Yilma, by mid-day our time. A hard copy will follow. I have already spoken to Ms. Yilma about our comment and she will be copied on the letter.

Please let me or my supervisor Phil Strobel (x6704) know if you have any questions or concerns.
